

08/03/18 (friday)

Érico Veríssimo Room (portuguese, spanish and english translation)

08:30-10:30 am Opening
08:30-08:50 am Welcome
 Claudio Sacks (Valparaíso, Chile), Sheila Martins (Porto Alegre, Brazil)

08:50-09:10 am The Burden of stroke in the world and in Latin America
 Katia de Pinho Campos (Pan American Health Organization)

09:10-09:30 am Summary of the Ministerial Meeting and Letter from Gramado
 Brazilian Ministry of Health

09:30-10:00 am State of Art in the Stroke Treatment: Present and Future
 Werner Hacke, (Heidelberg, Germany)

10:00-10:30 am State of the Art in Stroke Prevention
 Michael Brainin (Vienna, Austria)

10:30-10:50 am Coffee Break - Visit to the exhibition area / posters

10:50-00:30 pm Acute Ischemic Stroke Management
 Moderator: Werner Hacke (Heidelberg, Germany)

10:50-11:05 am Head Position in acute Stroke: same management for all patients?
 Pablo Lavados (Santiago, Chile)

11:05-11:20 am Review of Exclusion Criteria for Intravenous Thrombolysis: An Opportunity to Treat More Patients
 Gisele Sampaio Silva (Sao Paulo, Brazil)

11:20-11:35 am Does stroke with undetermined time of onset exclude the patient from reperfusion therapy?
 Octavio Marques Pontes Neto (Ribeirão Preto, Brazil)

11:35-11:50 am Fast times in the Angio suit: the pitstop and the pit crew
 Jason Faggard (Atlanta, USA)

11:50-00:05 am Patients with large vessel occlusion: thrombectomy only or intravenous thrombolysis followed by thrombectomy?
 Fernando Gongora (Monterrey, Mexico)

00:05-00:20 pm Decompressive craniectomy: how, when and for whom?
 Arthur Pereira Filho (Porto Alegre, Brazil)

00:20-00:30 pm Oral Presentation - Endovascular treatment in a single center in Uruguay
 Roberto Crosa (Montevideo, Uruguay)

00:45-01:30 pm Satellite Symposium - BOSTON / Visit to the Posters

01:30-03:10 pm Stroke Imaging
 Moderator: Jader Muller (Porto Alegre, Brazil), Mariangela Friedrich (Porto Alegre, Brazil)

01:30-01:50 pm E-ASPECTS and e-CTA for treatment selection in acute ischemic stroke
 Simon Nagel (Heidelberg, Germany)

01:50-02:10 pm CT Angiography: Evaluation of occlusion and collaterals in reperfusion treatment decision
 Leticia Costa Rebello (Brasília, Brazil)

02:10-02:30 pm CT Perfusion in acute stroke?
 Maria Alonso Leciñana (Madrid, Spain)

02:30-02:50 pm MRI in Stroke assessment: helpful in acute phase and etiological investigation
 Jamary Oliveira Filho (Salvador, Brazil)

02:50-03:10 pm Transcranial Doppler in acute Stroke
 Gabriel de Freitas (Rio de Janeiro, Brazil)

03:15-03:45 pm MAIN CONFERENCE: Artificial Intelligence in Stroke Diagnosis
 Leonardo Vedolin (São Paulo, Brazil)

03:45-04:00 pm Coffee Break - Visit to the exhibition area / posters

04:00-05:30 pm Prevention and Epidemiology
 Moderadores: Michael Brainin (Vienna, Austria) and Antonio Gil (Madrid, Spain)

04:00-04:30 pm The global burden of stroke and what could be done to reduce it in the most cost-effective and practicable way
 Valery Feigin (Auckland, New Zealand)

04:30-04:50 pm Deeply Knowing Stroke in your country
 Norberto Cabral (Joinville, Brazil)

04:50-05:10 pm Diabetes and Dislipidemia - what drugs, targets and what is the treatment impact?
 Aurora Olmedo (Asuncion, Paraguay)

05:10-05:30 pm Life style Changing: what really works?
 Nelson Novarro (Ciudad de Panamá, Panama)

05:30-07:00 pm Stroke Challenge

07:30-08:30 pm Assembly - Casaccia Room

Lupicínio Rodrigues Theater

10:50-00:30 am Multidisciplinary Care in the Stroke Unit
 Moderator: Anielle Ferrazza (Porto Alegre, Brazil)

10:50-11:10 am The Nurse Role in Acute Ischemic Stroke
 Marcelo Klu (Porto Alegre, Brazil)

11:10-11:30 am Patient assessment and Nursing Protocols in the Stroke Unit
 Daniela Skolaude (Porto Alegre, Brazil)

11:30-11:45 am Dysphagia assessment and rehabilitation
 Gabriela de Castro Machado (Porto Alegre, Brazil)

11:45-00:00 am Language assessment and rehabilitation
 Denise Fontoura (Porto Alegre, Brazil)

00:00-00:15 pm The Pharmacist role in the stroke team
 Vanelise Zortéa (Porto Alegre, Brazil)

00:15-00:30 pm The Social Worker role in the Stroke Unit
 Carmen Lucia Cunha (Porto Alegre, Brazil)

00:45-01:30 pm SATELLITE SYMPOSIUM - ALBERT EINSTEIN , VISIT TO THE POSTERS

01:30-03:10 pm Multidisciplinary Management
 Moderator: Leonardo Miguel Correa Garcia (Porto Alegre, Brazil)

01:30-01:45 pm Physical Therapy in Stroke: from evidence to the practice
 Simone Polleto (Porto Alegre, Brazil)

01:45-02:00 pm Occupational Therapy in the recovery and reintegration of the patient with stroke
 Samira Rafani (Ribeirão Preto, Brazil)

02:00-02:15 pm Cognition assessment and rehabilitation
 Jaqueline de Carvalho Rodrigues (Porto Alegre, Brazil)

02:15-02:30 pm Nutrition in stroke
 Laura Boemeke (Porto Alegre, Brazil)

02:30-02:45 pm Psychology as part of the treatment
 Silvana Pinto Hartmann (Porto Alegre, Brazil)

02:45-03:00 pm Monitoring Care Quality
 Rúbia Maestri (Porto Alegre, Brazil)

03:00-03:10 pm Oral Presentation: Mobile application for care guidelines to complications caused by Stroke
 Francisco Santos Nascimento Júnior (Itajaí, Brazil)

03:45-04:00 pm Coffee Break - Visit to the exhibition area / posters

04:00-05:30 pm Stroke Care Organization
 Moderator: Angélica Dal Pizzol (Porto Alegre, Brazil), Mariana D'Agnino Araújo (Porto Alegre, Brazil)

04:00-04:15 pm Impact and Educational Strategies in the population
 Miguel Barboza (Guadalupe, Costa Rica)

04:15-04:30 pm Step by step in the organization of Stroke network
 João José Carvalho de Freitas (Fortaleza, Brazil)

04:30-04:45 pm Technologic support in Stroke Network organization
 Márcio Rodrigues (Porto Alegre, Brazil)

04:45-05:00 pm Step by step in the organization of multiprofessional care and the Stroke Unit
 Carla Moro (Joinville, Brazil)

05:00-05:15 pm Telemedicine in stroke: structure and impact
 Arnold Hoppe (Santiago, Chile)

05:15-05:30 pm The structure of general hospitals for stroke care in Brazil: are we prepared?
 Rubens Gagliardi (Sao Paulo, Brazil)

Exhibition Area

01:40 - 03:30 pm WORKSHOP - ACUTE STROKE CARE 1

- Rosane Brondani, Marcelo Klu
- Octavio Pontes Neto, Jader Muller
- Alexandre Maulaz, Raul Nogueira, Daniela Skolaude

08/04/18 (saturday)

Érico Veríssimo Room

07:30-08:30 am Oral Presentation
 Moderators: Daniel Bezerra (Rio de Janeiro, Brazil), Marco Túlio Pedatela (Goiania, Brazil)
 - Polimorfismos en el gen de la ECA/AGT y su asociación con infarto cerebral en jóvenes mexicanos
 - Vitamin D deficiency is associated with acute ischemic stroke. c-reactive protein, and short-term outcome
 - Immune-inflammatory, metabolic, oxidative and nitrosative stress: ser of biomarkers predicts acute ischemic stroke and short-term outcome
 - Creación de la Red local para Atención del Ataque Cerebrovascular isquémico agudo en Cali (RAAC), Colombia.
 - Impacto del código ictus extra-hospitalario en un centro público en Paraguay. Un estudio piloto
 - e-ASPECTS score in the real world

08:30-09:50 am Prevention - Heart and Brain
 Moderator: Viviane Zetola (Curitiba, Brazil), Gabriel Braga (Campo Grande, Brazil)

08:30-08:50 am PFO: Clinical treatment x closure
 Viviane Zetola (Curitiba, Brazil)

08:50-09:10 am Transcranial Doppler in the evaluation of PFO
 Viviane Zetola (Curitiba, Brazil)

09:10-09:30 am Left atrial appendage closure: an opportunity for atrial fibrillation treatment?
 António Gil (Madrid, Spain)

09:30-09:50 am Stroke and heart failure with reduced ejection fraction: how to prevent?
 Daniel Bezerra (Rio de Janeiro, Brazil)

09:50-10:30 am Satellite Symposium - Medtronic

10:30-10:50 am Coffee Break - Visit to the exhibition area / posters

10:50-00:25 pm Strategies for Care Improvement
 Moderator: Arnold Hoppe - SIECV (Santiago, Chile)

10:50-11:20 am The ANGELS Initiative in Europe
 Valéria Caso, Presidente ESO (Perugia, Italy)

11:20-11:35 am The ANGELS Initiative in Latin America and launch of Angels Award in Latin America
 Sheila Martins (Porto Alegre, Brazil)

11:35-11:50 am The World Stroke Organization Roadmap for Stroke Services
 Patrice Lindsay (Ontario, Canada)

11:50-00:05 pm The Stroke care organization in Spain: the Madrid experience
 Exupério Terredor (Madrid, Spain)

00:05-00:20 pm The Stroke Program implementation: from national to regional experience
 José Fogolin (Bauru, Brazil)

00:20-00:35 pm The Endovascular Treatment Organization
 Francisco Mont'Alvern (Fortaleza, Brazil)

00:35-01:20 pm Satellite Symposium - Boehringer / Angels

01:20-02:20 pm STROKE QUIZ

02:30-04:30 pm Stroke in children and young adults
 Moderator: German Romero Perez (Bogotá, Colombia)

02:30-02:50 pm Recognition and stroke acute treatment in children
 João Ricardo Massena (Porto Alegre, Brazil)

02:50-03:10 pm Stroke in children: How to Investigate and Common Causes
 Maria Valeriana Leme Ribeiro (Campinas, Brazil)

03:10-03:30 pm Cerebral Venous Trombosis in Children
 Josiane Ranzan (Porto Alegre, Brazil)

03:30-03:50 pm Stroke in young adults: investigation and secondary prevention
 Carlos Abanto (Lima, Peru)

03:50-04:00 pm Oral Presentation: Evaluation of the Epidemiological Profile of Pediatric Patients in Brazilian Tertiary Service of Vascular Neurology
 Clara Barreira (Goiania, Brazil)

04:30-04:15 pm Coffee Break - Visit to the exhibition area / posters

04:15-04:45 pm MAIN CONFERENCE: Endovascular Treatment for Acute Ischemic Stroke: when and for whom?
 Raul Nogueira (Atlanta, USA)

04:45-05:15 pm MAIN CONFERENCE: Hypertension in acute treatment and the Stroke Prevention
 Craig Anderson (Sidney, Australia)

05:15-05:45 pm MAIN CONFERENCE: Anticoagulation in Atrial Fibrillation: different drugs for different patient profiles
 Claudio Sacks (Valparaíso, Chile)

05:45-06:00 pm Awards and Closing Remarks

Lupicínio Rodrigues Theater

07:30-08:30 am Oral Presentation
 Moderator: Rodrigo Bazan (Botucatu, Brazil), Carlos Abanto (Lima, Peru)
 - Laboratório de Inovação para o Enfrentamento do AVC na Serra Catarinense
 - O efeito da triagem da enfermagem no atendimento ao AVC isquêmico agudo
 - Uso do Instrumento ICSAP - Internações por Condições Sensíveis à Atenção Primária nos casos de acidente vascular cerebral isquêmico em uma região do interior de São Paulo
 - Estudo de prevalência e caracterização clínica de pacientes com depressão e apatia após Acidente Vascular Cerebral
 - Atendimento de fase aguda do Acidente Vascular Cerebral na região de Bauru / São Paulo
 - Association between left atrial size, cardioembolic stroke and atrial fibrillation in patients hospitalized at Stroke Unit of Hospital de Clínicas de Porto Alegre

08:30-09:50 am Hemorrhagic Stroke and Subarachnoid Hemorrhage
 Moderator: Gloria Meza Rojas (Asuncion, Paraguay)

08:30-08:50 am Clinical Management of Hemorrhagic Stroke - Guidelines
 Carlos Cantu (Monterrey, Mexico)

08:50-09:10 am Hemorrhagic Stroke in patients under anticoagulation
 Nelson Maldonado (Quito, Ecuador)

09:10-09:30 am Surgical Management of Hemorrhagic Stroke - Guidelines and what's new
 Luiz Carlos de Alencastro (Porto Alegre, Brazil)

09:30-09:50 am Emergency and Intensive Management of Subarachnoid Hemorrhage - Guidelines
 Alexandre Maulaz (Porto Alegre, Brazil)

09:50-10:30 am A new vision and perspective on neurological rehabilitation
 Tae Mo Chung (Sao Paulo, Brazil)

10:30-10:50 am Coffee Break - Visit to the exhibition area / posters

10:50-00:35 am Special Situations
 Moderator: Lenise Valler (Campinas, Brazil)

10:50-11:05 am What's the cost of a Stroke Unit?
 Romeu Valle Sant'Anna (Belo Horizonte, Brazil)

11:05-11:20 am Asymptomatic carotid stenosis - how and when to treat?
 Sebastian Ameriso (Buenos Aires, Argentina)

11:20-11:35 am Central Nervous System Vasculitis - when to suspect, how to investigate and to treat?
 Juan Carlos Duran (La Paz, Bolivia)

11:35-11:50 am Genetic causes of stroke - clinical suspicion, diagnosis and treatment
 German Enrique Perez Romero (Bogotá, Colombia)

11:50-00:05 am When to use triple anti-thrombotic therapy in patients with coronary artery disease and atrial fibrillation: what to use and how long?Evaluating risks
 Luiz Carlos Marrone (Porto Alegre, Brazil)

00:05-00:20 pm Perioperative evaluation in non-neurological surgery in the patient with a previous stroke
 Luiz Nasi (Porto Alegre, Brazil)

00:20-00:35 pm Thrombophilia evaluation in stroke etiologic investigation: how to do, who to screen?
 Mário Muñoz (Bogotá, Colombia)

00:35-01:20 pm SATELLITE SYMPOSIUM - PFIZER

02:30-03:30 pm Innovation for reducing the stroke sequelae
 Moderator: Fábio Guarany (Porto Alegre, Brazil)

02:30-02:45 pm Non-motor sequelae and its implications in the rehabilitation of post-stroke patient
 Suzana Palmimi (Porto Alegre, Brazil)

02:45-03:00 pm Virtual reality in motor rehabilitation
 Daniele Rossato (Porto Alegre, Brazil)

03:00-03:15 pm Transcranial magnetic stimulation and repetitive peripheral stimulation in post-stroke motor rehabilitation
 Adriana Conforto (São Paulo, Brazil)

03:15-03:30 pm TDCS in post-stroke rehabilitation
 Wolnei Caumo (Porto Alegre, Brazil)

03:30-03:45 pm Autoguided rehabilitation:the i-GSC App
 Denise Vianna Machado Ayres (São Paulo, Brazil)

03:45-03:55 pm Oral Presentation: creation of a game in a non-immersive virtual reality using leapmotion for rehabilitation of the upper limb affected by stroke
 Gabriela Cornely Rocha (Porto Alegre, Brazil)

Exhibition Area

09:00 - 10:30 am WORKSHOP - ACUTE STROKE CARE 2

- Gisele Sampaio Silva, Marcelo Klu
- Eli Evaristo, Mariangela Friedrich
- Pablo Lavados, Paulo Passos, Daniela Skolaude
